Type.....**E 650**

System.....2½ Way Bassreflex

Woofer.....6½" / 165 mm

Midrange.....6½" / 165 mm

Tweeter.....1" / 25 mm

Power handling*.....140W / 200W

Frequency range.....40 - 20.000 Hz

Impedance.....6 Ohm

Dimensions.....830x220x280mm
32,7x8,7x11,0in

Weight.....14,5 kg / 32,0 lb

Type.....**E 670**

System.....3 Way Bassreflex

Woofer.....2 x 6½" / 165 mm

Midrange.....3¾" / 80 mm

Tweeter.....1" / 25 mm

Power handling*.....150W / 220W

Frequency range.....35 - 20.000 Hz

Impedance.....6 Ohm

Dimensions.....950x220x300mm
37,4x8,7x11,8in

Weight.....16,3 kg / 35,9 lb

Specifications subject to technical changes.
*Long / Short term power, According to IEC 268-5.

English

The scope of the warranty

The warranty period will come into force as from the purchase date stated on the invoice. The warranty will apply for the following period of time:

- 2 years for electronics (power supply, amplifier, etc.)
- 7 years for other parts (cabinet, speaker units, etc.)

In case of warranty inquiries, please contact your dealer.

In case of request for service under warranty, please enclose your original receipt.

Defects covered by the warranty:

Except for the defects stated below, the warranty covers any production and material defects of the product.

Defects not covered by the warranty:

- Defects arising from accidents, misuse, normal wear and tear, mis-maintenance, voltage variation, overloading, stroke of lightning, and other force majeure events
- Defects arising from incorrect installation or operation
- Defects arising from modification/repair/attempt of repair by a non-authorised service centre
- Defects arising from the use of non-original spare parts
- Defects on products with altered or lacking series number
- Other defects due to conditions or circumstances beyond the supplier's control

Transportation costs for servicing are not covered by the warranty.

The supplier is liable only to repair or replace defective parts or products and the supplier is not responsible for indirect losses or damages arising from the use of the product. A replacement cannot exceed the value of the product under warranty.

To the extent that the enclosed conditions, including the limitation of liabilities, are inconsistent with indispensable regulations in the customer's country of residence, the latter shall have precedence.

Dansk

Garantiens omfang

Garantiperioden træder i kraft fra den på fakturaen påførte købsdato. Tidsrummet for garantiens dækning er som følger:

- 2 år for elektronikdele (strømforsyning, forstærker etc.)
- 7 år for andre dele (kabinet, højttaler-enheder etc.)

Alle henvendelser om garanti skal ske til forhandleren.

Ved anmodning om servicering under garanti skal original faktura medbringes.

Hvad omfatter garantien:

Med undtagelse af nedenstående dækker garantien alle fabrikations- og materialefejl på produktet.

Hvad omfatter garantien ikke:

- Fejl opstået som følge af uheld, misbrug, normalt slid, misligholdelse, spændingsudsving, overbelastning, lynnedslag og force majeure i øvrigt
- Fejl opstået som følge af ukorrekt installering eller betjening
- Fejl opstået som følge af modifikation/reparation/for-søg på reparation foretaget af et ikke-autoriseret service center
- Fejl opstået i forbindelse med brugen af uoriginale reservedele
- Fejl på produkter med ændret eller manglende serie-nummer
- Fejl i øvrigt på grund af forhold eller omstændigheder, som leverandøren ikke er ansvarlig for

Omkostninger til transport i forbindelse med servicering er ikke omfattet af garantien.

Leverandøren er alene forpligtet til at udbedre eller omlevere fejlbehæftede dele eller produkter, og leverandøren er ikke ansvarlig for indirekte tab og/eller følgeskader i øvrigt ved brugen af produktet. Erstatningen kan ikke overstige værdien af det leverede.

I det omfang nærværende betingelser, herunder ansvars-begrænsning m.v., måtte stride mod ufravigelige regler i kundens bopælsland har disse regler forrang i forholdet til nærværende bestemmelser.
